

## PDF to Text Converter - Suggestion on Adobe Tool

From Lori Brady [lbrady@utah.gov](mailto:lbrady@utah.gov) 03/12/04 03:37PM >>>

I just found this conversion tool on the Adobe website. I tested it out and it seems to work pretty well a few glitches, but nothing major. You can enter a URL of an existing PDF document and it will convert it into plain text.
